*** Benefits payments go digital to save money, improve safety.***

Starting March 1, 2013, the Treasury Department is requiring all Social Security, VA, SSI and other federal beneficiaries receive their benefits by Electronic Payment. Senior citizens and other federal beneficiaries may choose either direct deposit or the Treasury recommended Direct Express Debit Master Card. This new payment method is NOT optional. It is the law! Individuals who need assistance in switching to electronic payment can call the Treasury's secure Go Direct Call Center at 800-333-1795. Don't wait until the last minute to make this change.
